

Benvenuti al Cavallino

Dear Guests,

For us, hospitality means more than simply serving good food. We want you to feel comfortable, enjoy your time with us, and leave our restaurant satisfied and well fed.

In our dishes, we place great importance on quality, freshness, and good taste. Whenever possible, we source our vegetables and meat regionally.

Honest Italian hospitality and the joy of bringing people together over good food are just as important to us. We also want to keep offering you something new: that is why we add new dishes to our menu as monthly specials.

And if something is not to your taste or does not meet your expectations, please tell us openly. Your honest opinion matters to us. Speak to us — we will find a solution.

Because in the end, what matters to us is not simply that a plate has been served. We want you to go home satisfied and look forward to coming back.

Buon appetito e benvenuti al Cavallino!

Dennis Akdogan and the entire Cavallino team
